

# Lomitanos Divide Double-Header; Lose to S. Pedrans, Win from Cubs

## McGahan, H. S. Pitcher, Looks Good in First Try-Out

Connecting with Patalano's offerings for five runs in the second inning, the San Pedro Merchants trimmed the Lomita Merchants 8 to 5 at the city park diamond here last Sunday. The Lomitanos defeated the Los Angeles Cubs 8 to 4 in a five-inning preliminary game.

### Zamperini Runs At Princeton Saturday

Anticipating keen competition in his two-mile race next Saturday, Louis Zamperini, Torrance Olympian and U.S.C. track star, is diligently training at Princeton in New Jersey, according to word received from him this week. He will be entered in the invitational meet at the eastern school. His arch-rival, Don Lash, has indicated that he will compete in the mile event and may not run against Zamperini at the Princeton meet.

Elmer McGahan, Torrance high school's outstanding pitcher this spring, relieved Patalano in the second frame and held the San Pedroans to two hits for the remainder of the contest. Lomita got to Larry Maggio for four runs in the first three innings and chased the southpaw flinger to the bench.

Joe Storti relieved Maggio and after one out in the fourth, blanked the Lomitanos for the remainder of the game. Lomita had 11 hits of Maggio and Storti while Patalano and McGahan yielded but nine bingles. Ralph Mann hit a home-run with one man on base in the fourth inning.

Another Double Booked The Hollywood Painters Union will play the first of another double-header next Sunday with the Lomitanos. And Manager Walt Morris has carded the San Pedro Jadrans, losers to the Merchants in a 11-inning game two weeks ago, for the second contest. Following is the box score of the feature game of last Sunday's baseball display:

### Narbonne Wins Second in Class B, C All-City Meet

Bringing the 1937 track and field season to a close, Narbonne's brilliant Class B and C athletes swept into second places in the All-City championship meet at Los Angeles Coliseum last Saturday. The B's, winners of the Marine League meet, were second with 19 1/2 points to Jefferson's 30, while the Gauchos C's, second place winners in the Marine League competition, scored 12 1/2 points after battling Alexander Hamilton's athletes all thru the meet. The Hamilton team, coached by Bernie Donahue, formerly of Torrance high, annexed 21 points.

The Torrance Tartars' two entrants in the All-City meet, Tony Nady jumped five feet 11 inches—his best this season—to take third place in Class B competition and William Stewart tied with Kelly of San Pedro for third place in Class C high jumping.

Seven All-City records, one qualifying as a world's interscholastic mark, were set in the meet which was witnessed by about 15,000 track fans. Coach Roy Cochran of Torrance high served as one of the assistant marshals; Coach Ben Comrada of Narbonne distributed the medals; Coach Wayne Sloss of Narbonne issued numbers to the athletes and Coach Donahue was one of the three head clerks of the course.

Dillon Equals Record Peck of Narbonne won the Class C 660-yard event in 1:27.7 and Tawa, another Gaucho, tied for first in the high jump at five feet seven inches. Temp added to Narbonne's total points with a second in the 60-yard dash in Class C competition.

In the Class B meet, Narbonne's point-winning performers were: Hirata, third in the 100; Dillon tied for first in the 70-yard high hurdles, time of 9.1 equaling the record. (Dillon's time of 13.8 in the 120-yard low hurdles, Class C, set in 1936, still stands.) The Gaucho 660-yard relay team was third; Mertz was second in the shot.

**Bing Crosby's Racing Plant Opens July 3**

DEL MAR, June 17, (U.P.)—A \$1,000,000 racing plant almost as picturesque as a studio motion picture set, will be opened here July 3 by Harry L. Crosby, known to screen and radio fans as "Bing."

The new Del Mar turf club, which Crosby heads, undoubtedly borrowed many of its decorative ideas from the screen for, in addition to Crosby, the list of officers and directors reads like a roll call of cinema greats.

Pat O'Brian, George Raft, Wesley Ruggles, Bogart Rogers, Howard Hawks, Harry Cohn and William Le Baron are only a few of the important cinema personages listed with Crosby's (Continued on Page 12-B)

**65 Tartar Grid Prospects Out for 8 Tests**

Sixty-five Tartar football players turned out Monday afternoon at the high school field to begin a series of competitive feats designed to develop the outstanding accurate forward passers, best pass receivers, longest hurlers of the pigskin, top-notch punters and placekickers. Coach Roy Cochran is running the events to get a line on his football material for next fall's campaign.

"We can't have spring training so we are not putting the boys in suits for blocking or tackling drill," he said. "Instead we are holding eight contests to produce the best five in each event. These men will then compete in a final display (Continued on Page 12-B)

**Expect Bumper Crops**  
California farmers anticipate heavy harvests and good quality products during the months of June and July.

**CHARLIE SAYS...**

"Good old Father, notorious fall guy of all time, is scheduled (according to department store copy) to come into his own next Sunday. That day, June 20, has been designated (no one knows by whom) as HIS day... a day when Dad just lolls about the parlor, smoking two-for-five cent gift cigars and wearing a 50c cravat that gives everyone the fitters except Grandpa who wore out three clerks in a bargain basement buying it."

"Of course, on Monday the bills and the headaches come rolling in as usual. But did not Father have a breathing spell on Sunday? Then he listened to droll radio flippancies about the nation's Fathers, reflected with some mis-giving that if it wasn't for the department stores and men's clothes the fatherly sentiment would have been unsaid, gift ungiven."

"Yours for Stewart-Warner,  
"Charlie LeBoeuf."
